HARRY CUMBERLAND TRAVELLING SCHOLARSHIP - GUIDELINES

RNSH GASTROENTEROLOGY AND DEPARTMENT OF SURGERY

BACKGROUND

In 2021, the Department of Gastroenterology and the Division of Surgery established the Harry Cumberland Travelling Scholarship in recognition of the significant contribution to surgery and gastroenterology made by Dr Harry Cumberland at Royal North Shore Hospital (RNSH) over his 40 year highly distinguished career.

A trust account in his honour has been established to fund the award and is being offered annually to support research by junior medical staff.

Dr Cumberland was a general surgeon at RNSH from 1951-1984. He was the first surgical registrar at RNSH and on completion of his training he was offered a surgical consultant position. During his 40 year career at RNSH, he held several leadership roles and in 1974, he was appointed the first chairman of the Department of Gastroenterology and Head of the Department of Surgery from 1976 – 1984, when he retired.

Throughout his career, Dr Cumberland had a strong focus on surgical training, starting in 1954 when he rolled out the 'Cumberland Plan' for RNSH Surgical Trainees. He had a key role in post graduate training for surgeons which led to the establishment of the Fellowship of the Royal Australasian College of Surgeons becoming the definitive diploma for Australian trained surgeons. Throughout his career, Dr Cumberland continued to advocate for high standards in surgical training and was involved in teaching, mentoring and supporting junior doctor's development and involvement in research.

Dr Cumberland was a well-respected surgical leader amongst his peers at RNSH and internationally, was also honoured to receive a Membership of the Order of Australia.

PURPOSE

The Harry Cumberland Travelling Scholarship aims to encourage and support junior research clinicians at Royal North Shore Hospital and cover travel expenses related to local and overseas conference opportunities to present and showcase their work.

ELIGIBILITY

To be eligible for the Award, applicants will be required to meet the following criteria:

Applicants must:
